[Coretrack Limited](#) is an ASX listed company that provides technical solutions to the energy industry in the form of down hole tools, products and services.

Since the company's conception, Coretrack has focused primarily on building and introducing its highly anticipated integrated core tracking tool, the Core Level Recorder System (CLRS) into the commercial market. The company has accelerated its operations and growth plan by acquiring one of Australia's leading drill rig manufacturing/drilling services companies, [Globe Drill Pty Ltd](#).

The Globe Drill acquisition has brought together two world class companies, both at the forefront of producing superior products and services for the global energy sector.
